Pandemic disrupted consumer habits

Habit disruption can be an opportunity

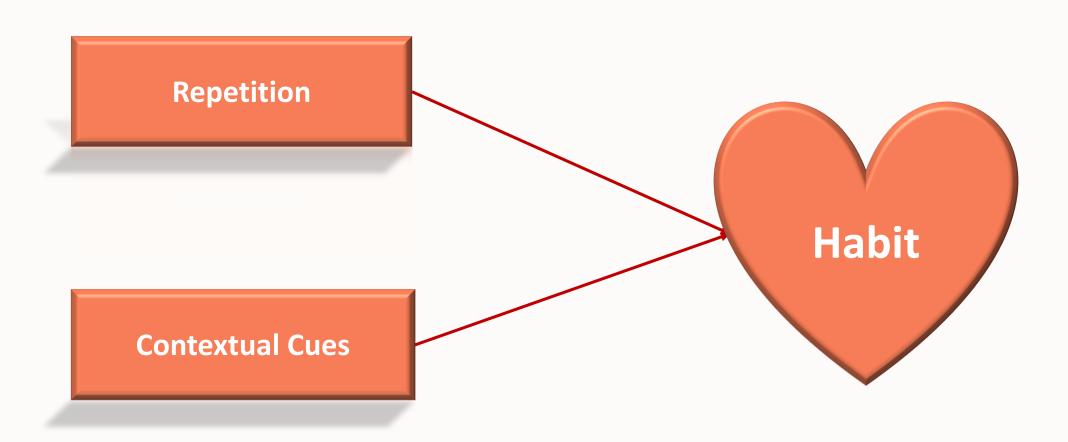

What exactly is habit?

- High repetition
- Stable behavior
- Automatic execution
- Minimal thinking

. Two essential ingredients of habit

. Add Contextual Triggers

Time

• Time of the day, day of the week, etc.

Location

Where you are

Social context

Who you are with

Pre-/Post-Event

What happens immediately before or after

. Add Contextual Triggers

Order from Quiznos after 3PM

Duclingo - The world's best way to learn French

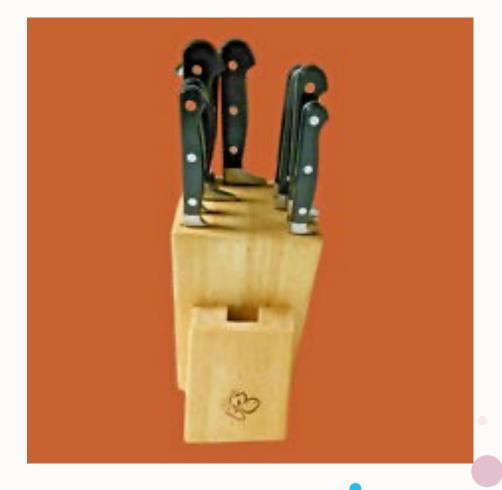

Blame

Mishaps Harvest At Work 7

Learning See You

Analyzing and sustaining habit

Harris Teeter Cutlery in my kitchen

After soccer practice, before picking up kids from school, etc.

Build on stable contextual triggers.

Other considerations

Reward small instead of big.

Easier to add onto existing habit than to create brand new habit
